And now... these messages

WELCOME ABOARD!: A very special welcome to new subscribers added this month, and in recent months. During our "7 for 6 in '76" promotion, we added 36 subscribers, and in the last month we added another 6, plus renewing many others (49 renewing subscribers took advantage of the special offer, including some with long-lapsed subscriptions; and another 10 have recently renewed). Our subscription list now stands

at 211, a record high number of paid subscribers. Included in those recently added are subscribers in California, Florida, Texas, Maryland, Michigan, South Carolina, and Ontario, as well as many from all across upstate New York. Thanks to all of you!

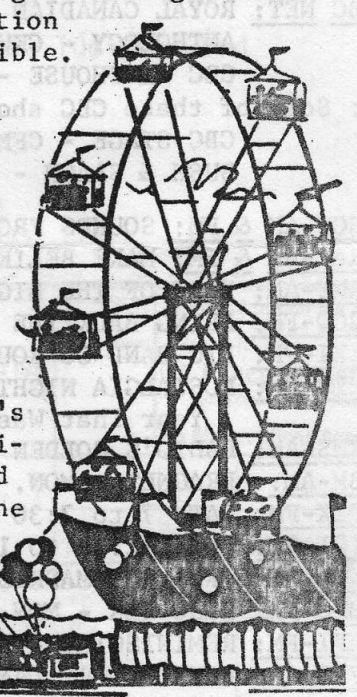

SCIENCE FICTION DRAMAS TO PUBLIC RADIO: We have learned through The Old Time Radio Club of Buffalo that S-F writer Ray Bradbury and famed veteran radio director-producer Norman Corwin are now working on a new series of half-hour radio dramas to begin in September on NPR, National Public Radio. The series will consist of adaptations of classic Bradbury stories, most adapted by Bradbury himself. Corwin will direct most of the shows, and Bradbury will supervise all scripting. Two pilots have been produced on a \$10,000 budget. At this time (as we go to press on Aug. 25), we have no definite information as to the starting date, nor the plans of WCNY-FM Syracuse or WRVO Oswego with regard to broadcasting these programs. We will report any additional information we obtain both on the program and in the newsletter as soon as possible.

CONVENTION: There will be an old-time radio convention in Meriden, Connecticut on Saturday Oct. 30, presented by SAVE (The Society of American Vintage-Radio Enthusiasts) and "Hello, Again!". It is the 6th annual event, and will be at the Holiday Inn. Registration begins at 9 am, and events are scheduled thru 10 pm. Howard Koch, Ben Gross and Bob & Ray will be honored. Full details will appear in our next issue. We expect to go - and hope to see you there!

SHADOW STALKS AGAIN: Fans of Lamont Cranston who know what evil lurks in the hearts of men will instantly get the drift of a new Gillette commercial that will run on all three TV networks. "There's an evil that lurks at the end of the day," the spot warns as an animated character in black hat and cape stalks. That evil is revealed as the shadow that creeps up and makes your face rough and ugly. The solution - close morning shaves. In conjunction, Gillette will sponsor reruns of "The Shadow" radio show in one or more markets yet to be selected.

SEE YOU AT THE FAIR: See page 10 for a special announcement, and see you Sept. 4!

IF THIS BOX IS MARKED, YOU MUST RENEW NOW OR NO MORE ISSUES WILL BE SENT! SEND \$1.50, \$3.00 OR MORE TO: THE SOUNDS OF YESTERDAY, THE NOSTALGIA RADIO NETWORK, BOX 24, LIVERPOOL, NEW YORK 13088. Make remittance payable to -- THE SOUNDS OF YESTERDAY. Please mention if you hear the program on WCNY-FM or WRVO-FM.
