8:31.32  
GRANT: It hardly seems possible that this is the last Grand Ole Opry for the year of 1959...but then...we been sayin' just about that for the past twenty one years...so I reckon it must be true.

8:31.40  
MARTY: Time certainly does fly by, Grant.

MARTY: Wilma Lee and Stony will be singin' one of their fine songs for us in just a few minutes. Right now it's time we heard from the man who resolved LAST year to marry a new wife but broke that resolution because he didn't have the courage to break in a new mother-in-law.....

(GRANT OVER)

51462 3694

8:38.30  
GRANT: <sup>w</sup> Not many, Marty. One thing though...in 1960 I'm gonna quit TELLIN' the folks about the good qualittites of Prince Albert Smokin' Tobacco and concentrate on gettin' 'em to TRY it.

8:38.38  
MARTY: <sup>w</sup> Grant...if you can do THAT, you won't have to TELL anybody how good P.A. is. They'll just naturally know.

8:38.43  
GRANT: <sup>w</sup> That's for sure. You see...with Prince Albert...the PROOF of all we say is right there in the puffin'...and your own TASTE tells you why Prince Albert's got the flavor most favored in the U.S.A. P. A.'s got the mild and mellow flavor...the smooth and easy-goin' taste that's preferred by pipe smokers and "roll-your-own" men everywhere.

8:39.02  
MARTY: Prince Albert's <sup>is</sup> crimp cut...to pack right, burn even and cool without unpleasant "hot spots". And because P. A. sells the fastest...it moves the FRESHEST off the shelf to you.

8:39.13  
GRANT: Right. So pipe smoker or "roll-your-own" man...resolve to get cool...tasty...more pleasin' smokin' in 1960 with Prince Albert...America's LARGEST selling smoking tobacco.

8.01 ENGINEER SWITCH TO STUDIO FOR LIVE CAMEL HITCH HIKE

ANNCR: If you're just about to light up a cigarette, right about now is the perfect time to ask...are you smoking more these days...but enjoying it less? If that's the case with you, change to a real cigarette... change to Camels. Believe you me, you'll start to really enjoy smoking again. Because Camels give you that full rich flavor...that easy going mildness, that complete smoking satisfaction no other cigarette delivers. No question about it: the best tobacco makes the best smoke. No question about this either: the Camel blend of costly Turkish and domestic tobaccos has never been equalled for real smoking enjoyment each and every time you light up. Guess that's why Camels are the favorite cigarette in the U.S.A. for the 10th straight year! How about your brand? Are you smoking more lately...but enjoying it less? Then have a real cigarette. Have a Camel!
