BOB HOPE

I'M GLAD LINDA'S ROOM IS WAY DOWN THE OTHER END OF THE HALL. SHE WON'T BE ABLE TO HEAR MY KNEES KNOCKING.

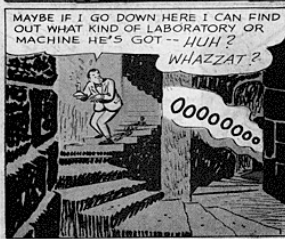

ALTHOUGH I DON'T KNOW WHY I'M WORRIED. I DON'T REALLY BELIEVE IN GHOSTS, AND IT'S NOT AS IF I WAS A SCIENTIST WHO INVENTED SOMETHING PEOPLE ARE AFTER...

THAT'S IT--HER DAD! LINDA MENTIONED SOMETHING ABOUT HER FATHER'S EXPERIMENTS. SHE SAID HE WAS GOING TO USE THE CASTLE FOR THEM! Hmm... HE WASN'T AROUND ALL AFTERNOON-- I'LL BET HE'S BEEN SETTING UP HIS LABORATORY.

THEY NEVER TOLD ME WHAT THE OLD BOY'S WORKING ON, BUT IT MUST BE IMPORTANT...

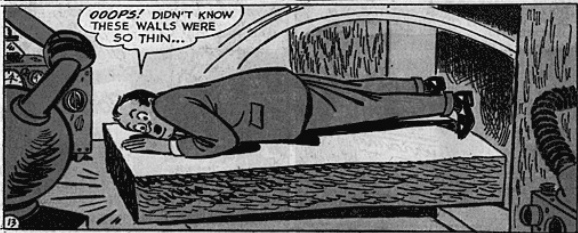

MAYBE IF I GO DOWN HERE I CAN FIND OUT WHAT KIND OF LABORATORY OR MACHINE HE'S GOT-- HUH?

WHAAZZAT?

INSIDE HOLLYWOOD

Edith Head, Hollywood's leading, multiple-Oscar-winning fashion designer, took the initiative in bringing back the form-fitting, one-piece bathing suit to top favor for feminine beach wear.

She did it by garbing Hollywood's most perfect female figure, **Stella Stevens**, in a royal blue nylon-stretch tank suit of classic design. Stella co-stars as **Jerry Lewis'** "dream girl" in "The Nutty Professor," and as **Elvis Presley's** flame in "Girls! Girls! Girls!"

The suit, as Stella displays it, may go a long way toward ousting the Bikini from favor. "One look at Stella in the suit, and this is most plausible," Miss Head says, adding:

"The classic tank suit is more flattering and more glamorous on a girl than any other bathing attire ever designed."

The particular suit which Stella wears has a low neck and lower back, both of scoop design. With it, she carries a yard-wide beach hat of white straw, its crown trimmed with vari-colored cellophane.

As another of her "dream" costumes, Stella wears a white cotton sharkskin, one-piece tennis dress, with Peter Pan collar and skirt of short, mid-thigh length.

★ ★ ★
"Camelot" won't be filmed by Warner Bros. until after "My Fair Lady" is completed . . . **Bud Schulberg's** "What Makes Sammy Run" may reach the screen next year, if deal can be made for **Bobby Darin** to star . . . They're referring to the cast of **Elia Kazan's** "America America" as "The Fighting Irish" because of their foreign names . . . **Stanley Kramer's** UA comedy, "The Mad, Mad, Mad, Mad World" will run about four hours on

the screen . . . Now that **Bette Davis** and **Joan Crawford** have done it, **Olivia de Havilland** is returning in a suspense drama titled "Lady in a Cage" . . . Warners would like English star **Sarah Miles** to make her first trip to Hollywood for the "Term of Trial" premiere . . . **John Drew Barrymore** will star in "Clouds Over Israel," to be filmed there . . .

★ ★ ★
"The Federal Investigators," true stories of the many branches of the United States crime-fighting facilities, has been acquired by Warner Bros. Studios, it was announced by **Jack L. Warner**.

The recently published book was written by **Miriam Ottenberg**, Pulitzer Prize-winning reporter for the Washington Star.

Stories contained in "The Federal Investigators" are derived from the files of the State Department's Office of Security, the Army Criminal Investigation Division, Office of Naval Intelligence, Federal Bureau of Narcotics, Food and Drug Administration, Secret Service, Customs and Immigration Services, and other Federal agencies.

In a foreword to the book, Attorney General **Robert F. Kennedy** points out that "the Federal investigator rarely is credited in the newspaper stories about the arrest of a stock swindler or the seizure of rotten food. Sometimes even his agency is not identified. The importance of the Federal investigator to the health and safety of our country—in fields ranging from espionage to orange juice—is not widely enough recognized."

Miss Ottenberg won the Pulitzer Prize in 1960 for a series of newspaper articles exposing the unscrupulous practices of used-car dealers in the Washington, D. C., area.
