BOOK ONE • CHAPTER SIX • MAY 1975

Hello, out there in Radioland!

May is NATIONAL RADIO MONTH and it's a very important month for us as we begin our sixth year of broadcasting the good old radio shows. We celebrate by doing our first RADIO MONTH TWTD program from the lobby of North West Federal Savings, 4901 W. Irving Park Road. C'mon in and say hello on Sat., May 3rd. And take a peek at NWF's display of vintage radios from the Pequod Restaurant in Morton Grove and at some of Joe Sarno's old time radio premiums from his Nostalgia Shop in Chicago. And don't miss seeing the 1925 Overland auto on display. Lots of old time fun this month!

The PATIO THEATRE, 6008 W. Irving Park Road will be the scene of a concert sponsored by the Chicago Area Theatre Organ Enthusiasts, Monday, May 19 at 8 p.m. There'll be an organ concert on the Theatre Pipe Organ, a Sing-Along and a short silent film. For info, write CATOE, 6244 W. Eddy, Chicago 60434. There'll also be a tribute to Leon Berry and Pearl White.

Lots of BARBERSHOP QUARTET happenings in the area this month, too.

May 3 in Oak Park; May 9 & 10 in Elgin; May 10 in Chicago. For info call SPEBSQSA public relations, 433-2341.

FUN FOR ALL! Well, not any more. Riverview is gone, but not forgotten. Oh for the good old days of the five cent nights!

EIGHTEEN YEARS AGO Jim Moran the courtesy man offered Chicago TV fans a star-studded line-up of movies ("First Chicago tele cast") including "Laura," "House of Rothschild," "A Bell For Adano," and "Snake Pit." Ahhh, those were the days. And the films were on every Friday night at 10 p.m.--with two, 10 or 15 minute commercials, no other interruptions. Moran called his commercials "Torture Time."

Can You find the FIRE, the SKELETON,
the HORSES, the RAIN...in this Picture?

Milking a cow: squirting seltzer into a milk pail achieves the effect.

A Kiss: the locale has changed, but the principle is still the same.

Sock in the Jaw: sinking a fist into rubber pad sounds like a haymaker.

THEY'RE all there. You'd recognize them instantly—if you *heard* them. They are gadgets from NBC's Sound Effects Department, the largest and most complete in radio.

NBC has devoted a great deal of time, thought and effort, as well as ingenuity and cold

cash, to the development of this important phase of broadcasting —another reason why NBC is "*The Network Most People Listen to Most.*"

ANSWERS:—1. Skeleton—rattling wooden sticks. **2. Fire—**crushing Cellophane. **3. Horses—**pounding rubber cups on hard-packed earth. **4. Rain—**bird seed falling against wooden balls onto taut paper sounds like a storm.
