GRANT: 8:34.33 Say, you know the expression: Every man to his own taste?

HUSKEY: 8:34.37 Yeah, Grant. What about it?

GRANT: 8:34.40 Well, I was just thinking that when it comes to pipe smokers, it seems like most men's taste is for PRINCE ALBERT SMOKING TOBACCO! Why, every minute of every pipe-smoking day, Prince Albert is taste-tested and approved by MORE smokers than ANY OTHER smoking tobacco. Y'see, pipe smokers know that P. A. is tobacco as Nature MEANT tobacco to be. And they like the way P. A.'s own special process HOLDS and HEIGHTENS the rich, natural flavor of the choice tobacco. So, you get NATURAL tobacco taste, pipeful after pipeful.

HUSKEY: 8:35.11 Prince Albert gives you cool, comfortable smoking enjoyment. It's crimp-cut, too, so it packs neat and firm...smokes smooth and LONG-BURNING!

GRANT: 8:35.20 So, all you pipe and makin's men listening in, enjoy NATURAL tobacco taste! Get yourselves some Prince Albert -- America's LARGEST-SELLING smoking tobacco! See why it's called the National Joy Smoke!

HUSKEY: 8:35.37 Now what do you say we really stir up some commotion? It's no sooner said than done because all I have to say is: let's welcome the Carlisles!

8:43.17
GRANT: Well, it's easy to enjoy P. A. in a makin's cigarette because it smokes so MILD and TASTY. Y'see, Nature, herself, put the flavor in P. A. And Prince Albert's own special process HOLDS and HEIGHTENS the rich, NATURAL flavor of mellow-ripe tobacco.
