(GRANT OVER)

GRANT: Well what was this advice?

MARTY: Y'see, he was fretting about what to get his daddy for Father's Day. So I just naturally suggested the pound tin of Prince Albert Smoking Tobacco. Right off, I could see that P.A. was the answer to his problem.

GRANT: Uh'huh.. P.A. Is a good answer to Father's Day problems. Pipe smokers love crimp cut Prince Albert because it's naturally tasty.. mild, cool smoking and always fresh! And you know something else..the pound tin is specially gift wrapped for Father's Day. ~~Yes~~ Sir, all you have to do is write your own little message to Dad on the built-in greeting card that's on the wrapping.

MARTY: That's right folks..whether Dad's a pipe smoker or makin' man, get him the gift-wrapped pound tin of Prince Albert Smoking Tobacco. Believe you me, he'll really enjoy it!

Got a date, June?

JUNE:

No.. this is the time of year when folks sorta clean up and fix up.. Besides, I've got a special friend comin' over tomorrow.

MARTY:

Oh? Is he like all us other fellas, June? I mean.. not so neat?

JUNE:

No.. I never have to clean up or fix up the house after he's been there.. Take when he comes over and sets a spell and rolls a makin' cigarette with Prince Albert Smoking Tobacco and an O.C.B. paper...

MARTY:

Yeah..

JUNE:

Neatest thing I ever did see.

MARTY:

Well, that's because P.A. is crimp cut, June. Doesn't dribble out the ends or blow around.. lets a fella roll a neat, smooth cigarette every time.

JUNE:

That's what I mean.

MARTY:

But there's more.. P.A. is always so fresh.. so cool smokin'. And that P.A.... man oh man, fellas go for the natural tobacco taste of Prince Albert. And with Father's Day coming up, the gift wrapped pound tin of P.A. makes a mighty fine gift for the pipe smoker or makin' man you want to remember. Yessir, they all love P.A.
