INMAN: Thanks Hank.

SNOW: Looks cool, trim, comfortable..

INMAN: Just like a pipeful of good Prince Albert Smoking Tobacco.

SNOW: By golly -- never thought of it that way.

INMAN: Well, P.A. always gives a fella cool smokin' ..

SNOW: --Right !

INMAN: And P.A.'s crimp cut lets you pack a neat, firm pipeful every time --

SNOW: To burn slow and even..

INMAN: And you just can't beat Prince Albert for downright smokin' comfort.

SNOW: Positively, Autry! There's just nothin' like packin' your pipe with always-fresh P.A. -- and enjoyin' the natural tobacco taste P.A. gives you. See, Prince Albert keeps all the flavor Nature puts in tobacco.. and then, by a special process, kinda lifts that flavor up and makes it fuller and richer and even more tasty.

INMAN: That's exactly why this country-singin' pipe-smoker goes for PA !

(SNOW OVER)

SNOW: And exactly why ALL you fellas-- pipe smokers, and makin' men, too.. oughta try and enjoy smooth-smokin, smooth tastin' Prince Albert in your next pipe or makin' cigarette. It's the National Joy Smoke !!

JUNE: That's the only way, <sup>HANK</sup>~~Cecil~~ Once he's rolled hisself a neat smoke with P.A., he croons allright, about smokin', not about me.

SNOW: Well June, your fella is just like every other makin' man about his P.A.. P.A.'s crimp cut lets him roll a neat, firm cigarette every time. P.A.'s always so fresh and so tasty..all the good taste Nature put in tobacco. He enjoys smokin' that makin' cigarette, thanks to Prince Albert.
