1st AnnCR: (ANNCR'S NAME) ever notice the natural curiosity of cigarette smokers?

2nd AnnCR: Sure have, (ANNCR'S NAME), they sorta like to look around before they settle down with one brand.

1st AnnCR: Boy, and with all the different brands and kinds on the market today, they sure have plenty to choose from !

2nd AnnCR: Yes, but there's one cigarette that real smokers always come to sooner or later -- that's Camels. More people today select Camels than any other brand of any kind !

1st AnnCR: That figures. No other cigarette brings you the same full, rich flavor and smooth mildness of Camel's exclusive blend of costly tobaccos.

(2nd ANNCR OVER)

PRINCE ALBERT OPRY....page # 9

1st AnnCR: Say, folks, why don't you find out for yourselves the difference between "just smoking" -- and Camels !

2nd AnnCR: That's right...have a real cigarette -- have a Camel. So good and mild...the finest taste in smoking !
