ROD: How in the cat hair did YOU know ??

TUBB: Just guessed and it's a safe bet every time, Rod. Because the most comfortable thing I know of is Prince Albert in a fella's pipe. He gets to enjoy all that freshness, all that cool smoking, all that comfort and all that rich, natural P.A. taste. It's so enjoyable -- lets you take it easy.

ROD: And by ned, it's true for you makin' men too. Prince Albert's crimp cut lets you roll a smooth smoke every time -- no dribblin' out the ends or blowing around...and that taste...
buddy, ^{it's} that's rich !

TUBB: Yessir, pipe smoker or makin' man -- get all the GOOD things you're supposed to enjoy when you light up. Enjoy America's largest selling smoking tobacco ... Prince Albert ! !

Take a look right here -- at just three of the Opry stars whose country records have this year sold more than any other artist and whose songs have just been voted the nationwide, coast-to-coast favorites. REEVES: Well, I've tried quite a few, Ernest -- but Prince Albert is the
one tobacco that's always fresh, always cool smokin', always
comfortable, and always giving me that rich, full, natural
tobacco taste.

TUBB: Same kinda thing I hear from makin' men, Jim -- P.A. is easy to
roll and so easy to enjoy in a makin' cigarette. ~~That's why we~~
~~always say~~ -- no matter what you do, where you go, where you
