HUSKY: Fine tune, boys... real fine. Don't go way because we'll want to hear another from you later on.

HUSKY: Rod....doesn't this spring weather make you feel great?

ROD: No sir, Mister Husky... I don't like spring. In th' spring everybody starts workin'...and I just hate work. If it wasn't fer ~~P~~Prince Albert Smokin' Tobacco and my old pipe, I don't think I could stand it.

HUSKY: Rod... Prince Albert is a big comfort... anytime. Because it's crimp cut , it burns slow...smokes cool and comfortable. As a matter of fact, Prince Albert gives pipe smokers the most comfortable smoke they can get.

ROD: And P.A. tastes good, Mister Husky...you got to admit that special P.A. process keeps in all the natural flavor and taste of th' fine tobacco. Even makes it taste better !

HUSKY: And makin' men find P.A.. rolls good. Doesn't blow away...spill out the ends. Makes a smooth-smoking cigarette.

ROD: Just another reason why Prince Albert's America's largest sellin smokin' tobacco .

HUSKY: So pipe smoker or makin' man ... relax. Take it easy and enjoy tastier... more comfortable smokin' with Prince Albert Smokin ' Tobacco.

olay-party kind of tune.... that everybody enjoyed.

MUSIC:
CUE: ACCORDIAN... SOFTLY... SACRED UNDERSCORE AS BG FOR:

HUSKY: Well... we have a lot of fun on the Grand Ole Opry but we never
like to forget Him who makes all things possible... and especially
at this time of the year close to the Easter season ... we like to
remember His Son... who died on the cross nearly two thousand
years ago... so that all poor sinners might be saved. So
tonight.... here's an old , old hymn that tells of our thankfulness
..... "Amazing Grace."

PRINCE ALBERT OPRY.....# 965...., page 6

HUSKY: Grant, you always seem to take things calm and easy. What's your secret?

GRANT: No secret, Ferlin. Whenever things get tough, I just relax...then reach for my pipe and my tin of Prince Albert Smokin' Tobacco...load up and settle back for a cool...comfortable smoke.

HUSKY: What do you like best about P.A. ?

GRANT: Oh... I don't know. Lots of things. It's always fresh...and packs just right...and smokes so cool...and lazy !

HUSKY: That's because it's crimp cut. And it tastes so good because that special Prince Albert process just naturally keeps in all the fine flavor of good tobacco. Even gives the flavor a lift.

GRANT: For a quick smoke, I use P.A. and O.C.B papers for a makin' cigarette. P.A. rolls easysmokes so good.

HUSKY: Pipe smoker or makin' man...enjoy a smoother...tastier...more comfortable smoke with America's fastest selling smoking' tobacco ... Prince Albert.
