MARTY: 8:40.45 And that is...??

ROD: 8:40.47 Good Prince Albert Smokin' Tobacco...what else. Prince Albert's always fresh...an' it's crimp cut...so's it packs just right...an' burns even and lazy like.

MARTY: 8:40.54 And that special Prince Albert process locks in all the natural tobacco flavor, and improves it to make P.A. TASTE so good.

ROD: 8:41.02 Gives you the most comfortable smoke you can get. Makin' men like P.A., too. With OCB paper, it rolls so easy...smokes so good.

MARTY: 8:41.09 Right, Rod. So all you smokers an' especially you pipe smokers...no matter what kind of a pipe you prefer...you can't get a tastier, cooler, more comfortable smoke than you get when you load up with America's Joy Smoke...Prince Albert Smokin' Tobacco !!

MARTY: 8:48.39

Grant Turner, I've noticed you're always pretty calm and even tempered. How come?

GRANT: 8:48.42

Well....usually I've got my pipe in my mouth...and it's naturally hard to get a man riled up when he's enjoyin a good smoke.

MARTY: 8:48.48

And you do enjoy smokin', don't you?

GRANT: 8:48.50

Why not? I always fill this old pipe of mine with good P.A. You know... Prince Albert Smokin' Tobacco gives a lot of smokin' pleasure. I can honestly say that Prince Albert gives me the most COMFORTABLE smoke I can get. P.A.'s always fresh. It's crimp cut...so it packs right...burns even and slow.

MARTY: 8:49.00

Tastes good, too...because the natural tobacco flavor and goodness is locked in by that special P.A. process. Even improves it !

GRANT: 8:49.10

Makin' men go for P.A., too, because it rolls so easy.. smokes so cool and good. Prince Albert and OCB paper... Man, that's smoking !!

MARTY: 8:49.13

Yes...pipe smokers and makin' men sure enjoy good taste along with cool and comfortable smokin' with Prince Albert ...America's largest selling smoking tobacco.

HITCH HIKE:

Comes now the time of year when Father has his day !
Tomorrow, June 15th, has been set aside as Father's Day...
clear across the country. One of the most welcome gifts
you can buy for Dad is a couple of cartons of Camels...the
No. 1 cigarette clear across the country. As usual at this
time of year, you can get Camels in a special Father's Day
gift carton. It's handsomely decorated and has a "To-From"
card built right into the carton. Sure is a convenient way
to remember Dad with the most popular smoke of all ! He's
bound to like that rich tobacco flavor of Camels...the finest
taste in smoking. And he'll find the mildness of the
Camel blend of costly tobaccos sure is easy to get along with.
More people today smoke Camels, y'know, than any other
brand. The best tobacco makes the best smoke ! Give
Dad a real cigarette.....give him Camels !!
