RAY: Say, <sup>Art</sup> Grant...did you ever notice how a pipe smoker seems to get more satisfaction out of his smokin' than other folks ?

GRANT: I sure have, Ray...and when he lights up with that good... crimp cut... Prince Albert Smokin' tobacco he just KNOWS he's gonna get a COMFORTABLE smoke, too. He gets a cool...tasty... satisfyin' smoke. And what's more important...he gets it every time. P.A. is ALWAYS fresh...and the natural flavor <sup>2</sup> of its fine tobacco is locked IN by a very special Prince Albert process.

RAY: You're absolutely right, <sup>Art</sup> Grant. So, neighbors...is it any WONDER that Prince Albert is America's LARGEST selling smoking tobacco ? It HAS to be...because smokin' men all over the country agree that P.A.'s natural tobacco taste is tough to beat.

GRANT: And don't forget that MAKIN' men like Prince Albert. In OCB paper it rolls easy...and gives that same mild...tasty smoke.

RAY: So pipe smoker ~~OR~~ makin' man...enjoy COMFORTABLE smokin'. Get Prince Albert Smoking Tobacco...the next time you're at the store.

RAY: Grant...I notice you got in there and did a little fancy steppin' yourself.

GRANT: All right...all right. Just leave me out of this. You know it's hymn time on the show don't you ?

(APPLAUSE & PLAY OFF)

RAY: Minnie...I notice Hezzy's face is all swollen. What happened ?

MINNIE: He was smokin' out a bee hive, stealin' honey, and the bees didn't like it. But Hezzy can't understand because he was usin' Prince Albert Smokin' Tobacco.

RAY: Well, Minnie...maybe BEES don't go for P.A. but I sure know that PIPE SMOKERS go for it. So many...in fact...that P.A. is America's LARGEST selling smoking tobacco. And no wonder, P.A. is always fresh...and it's crimp cut. And it's got the flavor smokin' men like. That's 'cause that special Prince Albert process locks IN the natural goodness of the fine tobacco. And makin' men go for Prince Albert. <sup>See because</sup> It smokes mild and tasty... stays put, too. In fact...pipe smokers OR makin' men get the most tasty...satisfyin'...COMFORTABLE smoke ever...when they light up with Prince Albert.
