DAVE: Archie Campbell...the man who has set Bulls Gap, Tennessee back worse than the big cyclone of 1939.

MARTY: That's for sure, Dave. But now don't you think it's time you, introduced our guest?

DAVE: To who? Or maybe I should say...to whom?

MARTY: Watch that stuff or some owl will come along and think you're a relation. Introduce the guest.

DAVE: Okay, Martin. Neighbors...here he is...the pride of the Cracker State.... STONEWALL JACKSON!!

APPLAUSE

DAVE: Welcome to the Grand Ole Opry, Stonewall. It's a pleasure to have you with us.

MARTY: That goes double for me, Stone.

STONEMALL: Well gee, feller...thanks. I'm happy I could make it.

MARTY: Stonemall...you know me...and you know I'm tellin' the truth when I say that I am a man of few words?

STONEMALL: Well, yeah, Marty....

MARTY: It just seems like I talk a lot because I say those same few words so often.

STONEMALL: I've heard it put a different way, Marty...but go ahead.

MARTY: Now I'm gonna say those few words...just once. Sing that great hit you just recorded for Columbia....."Waterloo"!

DAVE:

Thank you Stonemall, well

Here it is, Labor Day weekend, Marty, and so far I haven't seen you do a single bit of work.

MARTY:

No....and I've got ^{some} news for you. This is one holiday when I don't aim to do anything but loaf...load up my pipe with some good smokin' tobacco...and just take things easy.

DAVE:

Prince Albert Smokin' Tobacco, I hope?

(MARTY OVER)

MARTY: *Why* What else? Prince Albert's got that mild and mellow flavor I go for. Fact is...so do MOST smokers. And P.A.'s got that smooth and easy-goin' taste that's just right for pipe smokers ~~or~~ "roll-your-own" fans. And being crimp cut... P.A. packs right...burns steady and cool...without "hot spots". But don't ^{you} take my word for it. The PROOF is in the puffin' and your own taste tells you why Prince Albert's got the flavor most favored in the U.S.A.

DAVE: Right, Marty. And because Prince Albert sells the FASTEST ...it's the FRESHEST! Friends, remember, the proof is in the puffing, so light up with PRINCE ALBERT...America's LARGEST SELLING...smoking tobacco.

8:58:16

ANNCR:

You know, a lot is said about a lot of different cigarettes. But when all is said and done...it all comes down to this: Are you smoking more these days, but enjoying it less? If your answer is "yes", then change to Camels...a real cigarette...America's most popular cigarette for the 10th straight year! It sure makes sense, because with Camels you get the full, rich flavor and easy-going mildness that add up to complete smoking satisfaction with each and every cigarette. The secret? The best tobacco makes the best smoke. The Camel blend of costly Turkish and domestic tobaccos has never been equalled by any other cigarette! So, if your present brand isn't giving you all the smoking satisfaction you want...if you find yourself smoking more these days...but enjoying it less...then change to Camels! Yes, have a real cigarette...have a Camel!
